**Dear Students of Classes 10 & 12,**

The following is the Time Table for the School Mock Test. As announced earlier, there will be two examinations per day. Please study well. It will be a good preparation for your Board Examinations. There are a few students who are not attending the regular classes. I urge you to attend the regular classes. Those not attending the classes might be detained from appearing for the Board Examinations.

Please be informed that the Council will conduct a Mock Test as well in the first week of November. More details will be told to you later.
