Dear Parents / Guardians

★ Like previous years, the school will supply books and note books required for the academic year 2023-2024. Getting books and notebooks from the school is **NOT** obligatory, but for the convenience of organising this book distribution it is better that the parents / guardians either get both books and note books together or the whole set of books. Book list of all the classes will be displayed on the school notice board one week before the commencement of the new academic year. This will enable the parents to get from the market if they decide **NOT** to get books from the school. **If interested to get the books and note books from the school, parents / guardians are requested to send the Books willing Slip to the concerned class teacher through your ward on or before **19.02.2023**.**

Please note:

1. You have to get books and note books from the school **once you have ordered**.
2. The notebooks which you buy from outside market must be in accordance with the size and quality of the note books distributed by the school.
3. To change the Second Language, please contact the School office with a written Application at least two days before the day of Books Distribution.
