Dear Staff, Students, Parents & Guardians,

As you are aware, the last two years the School had not increased the fees, however, it paid to its staff the yearly increment without any DA. Our Founder Body President has instructed us to pay 3% DA from April 2024 in addition to the yearly increment. In order to meet the increasing expenses, we are bound to slightly increase the School fees from April 2024. As you have been supporting us, I request you all to continue to support us in our endeavour to impart quality education to our Students.

God Bless Burdwan Xavier's School.
